

Monday 20th April

**Can you write a diary entry
telling me all about some of the
things you do over the Easter
holidays?**

EXAMPLE

Friday 10th April

This morning I woke up and the sun was shining through a small gap in my curtains! I was so excited because it is nearly Easter and me and my family were going to be painting our own eggs.

I got out of bed and got dressed. I went in to the kitchen to help my mum set up the table. We needed a table cloth because sometimes we make a lot of mess when we paint! I got the paintbrushes, paint, water pot and eggs ready. We called my sister Lily down so she could paint one as well!.....

Things to remember...

- 1. Capital letters and full stops**
- 2. Write in the past tense (it has already happened)**
- 3. You are writing about what YOU have done!**
- 4. Describe everything and make it interesting. Not just – I woke up and painted an egg.**
