<u>Colour</u>	<u>Feature</u>	<u>Definition</u>
	Sentence signposts	Words or phrases that help to guide the reader through the content of your writing.
	Technical language	Words that are specific to the subject
	Generalisers	Words that help to tell the reader generally how many of something there are.
	Conjunctions	Words or phrases that join a cause and consequence
	Sub-headings	Smaller titles that help to organise the writing into subjects
	Fronted adverbials	Phrases or words at the start of a sentence which are used to describe the action that follows.
