

### Reading Activities - Week 5

This week is the *Hay Festival*, which this year is taking place online, here:

<https://www.hayfestival.com/c-247-programme-for-schools.aspx?genrefilterid=79>

Every day, from 8am, a new *author talk* will be uploaded. Go onto the website, click

Primary - Y3-6

PRIMARY Y3 - Y6

and scroll down to find the authors of books you're interested in and watch their talks! This is a fantastic opportunity for some inspiration.

😊 Don't worry, you don't need to get up at 8am to watch them, as they will be saved for later here: <https://www.hayfestival.com/c-209-archive-hay-player.aspx?skinid=16&ManufacturerFilterID=0&VectorFilterID=0&GenreFilterID=58>

*I would like you to watch at least one of these talks this week. If you get really interested in them, feel free to watch every day!*

It would be fantastic if you could write a short paragraph about what you have learned from your talk, or the things you found most interesting.

I have also got the regular activities for you, but on the days that you are watching the talk, you do not need to complete them. Take your pick based on what you need more practise with this week, but don't forget to read your book every day as well. 😊

1. Week 5. Guided Reading. SPAG Mat
2. Week 5. Guided Reading. Spelling
3. Week 5. Guided Reading. Dictionary Skills
4. Week 5. Guided Reading. Comprehension
5. Read a chapter of your book and answer the usual questions:
  - What happened in the chapter and why was it important to the rest of the book? - How does it relate to what has happened in before it? - How do you think the character is feeling and why? - What do you think will happen next and why? - Look up any words you're unsure of. - Any figurative language?
