

Tranio	every day	outside
Livia	after finishing her jobs	in the street
played	by the fountain	happily
met	in the afternoon	smiling
jacks	in the heat of the day	squatting
sat	outside his house	excitedly

Tranio	every day	outside
Livia	by the fountain	in the street
played	after lunch	happily
met	in the hot sun	smiling
talked	by the fountain	sitting
sat	together
