

# Home learning tasks- guide for grown ups-4.5.20

Please DO NOT feel like you have to do all of these tasks every day. Some days you might do all of them and some days you may not do any. These are just some ideas to keep you going for when your child ready and happy to learn.

**Please do post your child's work on Tapestry. We can comment on your child's work and give them feedback. It's a great way for us to interact with each other. If you have forgotten your password/ need help logging in, please contact us via email through Mrs Wooler at [head@westernroad.e-sussex.sch.uk](mailto:head@westernroad.e-sussex.sch.uk)**

## Reading/Writing/ Phonics

This week our text is George and the Dragon written by Chris Wormell. On you tube there is a clip of someone reading the story. <https://www.youtube.com/watch?v=IA9nAvl8uuw>

**Literacy-** After listening to the story can you write a list of words to describe the dragon before and after he met George the mouse. See literacy sheet for an example.

**Phonics-** Today we are focusing on the plural s/z. Please work through the phonics powerpoint.

Continue to get your child to read with you as much as possible. You can create an account on the Oxford Owl website and access lots of free ebooks. We would have been reading book bands 1,2,3 mostly at school. <https://home.oxfordowl.co.uk/books/free-ebooks/>

## Maths

Look at the link above and do 1 activity per day from summer term week 3. This week the activities are about 'The Hungry Caterpillar' by Eric Carle. If you do not own a copy of the story then you can show your child this version on You Tube.

## Understanding the world/ Expressive Art and design/ Communication and Language

George the mouse was very lucky at the end of the story to be living with a Princess. He had all the food he loved to eat. Could you help your parent/carer to make your favourite dinner? What ingredients do you need? How do you make it? You can either write these down or make a video clip of you helping to make your favourite dinner.
