WALT – write a story

Read your story out loud to someone in your house.

Make sure you are constantly checking your work using the checklist.

It time to write what happened when your characters got to the top of the beanstalk!

Jack finds a castle at the top of the beanstalk. He finds out a giant lives there.

Susie and her brother find a sweet shop at the top of the beanstalk. They find out a dinosaur works there!

We are going to use the sense for this part.

- What did they **see**?
- What did they **hear**?
- What did they **smell**?
- What did they **feel**?

My example...

When they finally reached the top of the beanstalk Susie and Tom couldn't believe their eyes! They were walking on fluffy, white clouds. "I feel as light as a feather!" said Susie. Tom looked around and froze, his jaw dropped the ground. In front of him he could see the biggest, most colourful sweet shop he had ever seen! There were candy canes hanging out the sides and the smell of freshly made sweets came drifting over towards him. "Come on Susie! Quickly!" he said. They rushed over to the door as they pushed the great, heavy door open there was the sound of a bell telling the shop keeper a customer had arrived.

I have forgotten a sense. Can you guess which one it is and tell an adult how I could add it in?

Can you write the next 2 parts of your story?
Write up until just before they steal something.

Leave a line after each part showing the different paragraphs.

Jack sees that the giant
has a hen that lays
golden eggs and a
magical harp that sends
him to sleep.

Susie and her brother see that the
dinosaur has a jar full of sweets
that never gets empty and a till that
chucks out real golden coins!
