

## Reading Tasks

Please read your book every day for at least twenty minutes.

Please read with an adult at least once a week for twenty minutes.

Adult: please ask the child these questions at different points in their reading:

- Why do they feel that way?
- What does that tell us?
- What might happen next?
- What does this word mean?

Ask them each time *why* they think that.

Activities for the below can be found in the Guided Reading Folder.

**Comprehension** - read the text and then answer the questions using examples of why you think that from it.

**Word Classes** - Find the different word classes and give examples of more in that class.

**Dictionary:** Select 6 words a week from the spelling list to learn to spell. Look up their definitions in the dictionary and write them down.  
**Challenge:** Find new words for them in a Theasurus.
