Prior to discussion of other agenda items the Headteacher introduced an urgent confidential matter that is recorded in supplementary confidential minutes.

3

Strategic Items

a) The New Curriculum

The Headteacher advised that the school had completed a revised curriculum map and schemes of work to support all areas in line with the current national curriculum. Governors queried whether the work undertaken would easily transfer to proposed changes to the national curriculum and were advised that the revisions to the school's curriculum map had been mostly to do with methods of delivery which would not be affected by changes to national curriculum. A discussion followed about the national curriculum consultation and Governors were keen to be kept informed and up to date.

b) Enrichment for High Achievers / Gifted and Talented

The Committee Chair reminded Governors of the Ofsted recommendations to ensure that enrichment activities be put in place for high achievers. It was noted that many previously central provisions had been discontinued leaving individual schools to put something in place. It was identified that with limited resources this would prove difficult for Western Road and a suggestion was made that some cluster work could fill the gaps and that alliance funding might be available. It was agreed that other schools would be approached on this issue via the Chairs meeting the following day.

c) Pupil Progress and Attainment

Governors were advised that the teaching schemes had not been completed and therefore up to date data on progress and attainment was not available. Governors had ongoing concerns about the budget and the effect that overstretched resources was having on teachers' workloads. They were further gravely concerned of the impact on the rest of the school and on outcomes for children.

d) Quality of Teaching

The Headteacher reported that all recent class observations had been judged as good or outstanding and that the Ofsted data dashboard had confirmed good progress. The Committee Chair requested that congratulations be passed to the staff involved. Governors requested sight of data at some point to support the Headteacher's verbal reporting.

4

Regular and Other Governance Items

a) Governor Visits

The Committee Chair reported that a manageable programme of Governor visits had been circulated to all.

b) Safeguarding Children Annual Report

The Headteacher advised that there had been no safeguarding issues to report during the year.

c) Special Educational Needs Annual Report

There was a lack of clarity on whether an annual report on special educational needs (SEN) was required.

ACTION – Clerk to research the requirements for an annual SEN report and include within the governors business planner for 2013/14 if required.

5 **Policies/ Guidance Documents for Review/Agreement**

a) **Behaviour Policy**

Governors recalled that Full Governing Body had approved the behaviour policy and that a request was made for sight of the anti- bullying policy. Governors reminded the Headteacher that planned residential and high risk school visits would need Governors approval.

AGREEMENT/ACTION – The Teaching and Learning Committee delegated the approval of school trips to a group of Governors to include Ken Caplan, Phil Rowland and Debbie Ticehurst. Headteacher to send details of proposed trips to these three Governors for approval on a no objection basis by a set deadline.
