

# WALT sketch landscapes.

## WILF:

Use a pencil

Use shading for tone

Use smudging and a rubber for brush stroke effects.

Use impressionist style.

Today, please sketch a Lewes landscape.  
You can go on a walk with your adult and sketch the natural beauty you see, for example: the grange, the river, the hills, the cliffs.

Or, you can sketch from one of the Lewes images from the slide, or perhaps the view from your window.
