

Western Road Community Primary School Weekly English Plan

Class: Willow (Year 4)

Teacher: Miss Sheppard

Term: 4

Week Beginning: 30.03.2020 Week 6

	Topic	Activity
Monday	Science	Think about how sound is created with vibrations. Research how sound travels to our ears, how we understand this, and then create a poster about how we can hear sounds. Think back to our lessons! Remember to keep up that journal for your plant!
Tuesday	Topic	Look up some information about the Amazon Rainforest. Look up some information on Sherwood Forest in the UK. Compare the two forests. What is similar about them, and what is different?
Wednesday	Music PE	Use your YuMe login to login to Charanga and complete a music lesson. Look at Singing Hands on YouTube. Learn a song and its signs. Go for a song we have not done before! https://www.youtube.com/user/SingingHandsUK/videos
		Create a new game to play – think about how you can make it challenging, using what you have at home.
Thursday	Computing	Go on to Hour of Code to complete some coding. Continue working on your website! Use these websites to help you with HTML: https://www.codecademy.com/ http://www.goodellgroup.com/tutorial/chapter1.html (This one is quite wordy!) https://www.ipl.org/div/kidsweb/ https://codepupil.com/ (This one is interactive!)
Friday	Art	Do some painting! Focus on creating effects such as light and shadow and complimentary colours. Create mood and atmosphere in your work. Have a go at creating a still life drawing. Choose something in your home to draw – focus on the details.
