

Ways to Support Your Child

- Regular reading and sharing books with your child.
- Provide opportunities for your child to write for a purpose can they help you write the shopping list/reminder note.
- Talk to your child about what they have been learning at school.
- Visit the library and help your child choose an information book about an animal - what new information have they found out about their chosen animal?
- Talk about places you have visited together - could be a city and a village - what is similar/different or further afield e.g. a different country?
- If they have created something for example a model or painting can they share with you what they enjoyed about doing it, what they found tricky and how would they improve it should they do it again?

Further Information

We will continue having PE on a Wednesday morning.

Attached to this are some blank WOW slips. We are going to be focusing on the children's achievements across all areas in class this term. If your child WOWs you at home (it could be by getting dressed on their own or reading a tricky word) please write it on the WOW slip and we will share it with the class.

Thank you for all your kind words and gifts for Christmas. The children are particularly enjoying the gifts you have given the class. We hope you all had a lovely Christmas break and we are looking forward to this term.
