

# Western Road Community Primary School Weekly Foundation Plan

Class: Willow (Year 4)

Teacher: Mrs Bracher

Term: 5

Week Beginning: 20.04.2020 Week 1

Subject	Topic	Activity
Science	Electricity	<p>We are looking at how electricity is generated and thinking about renewable and non-renewable energy.</p> <ol style="list-style-type: none"> <li>1. Have a look at this link <a href="https://www.bbc.co.uk/bitesize/topics/zp22pv4/articles/ztxwqty">https://www.bbc.co.uk/bitesize/topics/zp22pv4/articles/ztxwqty</a> watch the video and then have a go at the quiz where you must put in the missing words.</li> <li>2. Create a comic strip showing how life would be different if we didn't have any electricity! (you wouldn't be able to read this, that's for sure!)</li> <li>3. Remember to keep up that journal for your plant!</li> </ol>
Topic History	The Romans	<p>Our new topic is all about The Romans! For our first lesson we will be investigating what happened in 79AD</p> <ol style="list-style-type: none"> <li>1. Using poster research what happened in 79AD. You could also use these helpful websites.</li> <li>2. Put the cards in the correct order to tell the story.</li> <li>3. Lots of people still visit Pompeii. Imagine that you are a tour guide at the ruins, what interesting facts would you tell visitors? Write a script for what you would say on your guided tour or Mount Vesuvius ruins.</li> </ol>
Music	Composers and Musicians.	<p>In music we are going to be studying different composers and musicians.</p> <ol style="list-style-type: none"> <li>1. Research a composer or a musician and become an expert on them, find a way to present what you have found out. Here are some composers and musicians you might like to choose from; <b>Mozart, Beethoven, Tchaikovsky, Andrew Lloyd Webber, Lera Auerbach, Elton John, Ed Sheeran, Lady Gaga.</b></li> <li>2. Use your YuMe login to login to Charanga and complete a music lesson.</li> </ol>
PE	Creative PE	<p>Our 'cog' for Jasmine PE this term is the creative cog.</p> <ol style="list-style-type: none"> <li>1. Create a dance, yoga or workout routine that could be performed to your favourite song (Cosmic yoga, Just dance and Joe Wicks are great inspiration!) <a href="https://www.youtube.com/watch?v=l3u_gaOPCGk&amp;list=PLJX_NbXD9IBc_BQp-6WglFiCdhKxAwvzT&amp;index=11">https://www.youtube.com/watch?v=l3u_gaOPCGk&amp;list=PLJX_NbXD9IBc_BQp-6WglFiCdhKxAwvzT&amp;index=11</a></li> <li>2. Create an obstacle course at home or in the garden and time how quickly you can complete it – can you beat your best time?</li> </ol>
Computing	Coding	<ol style="list-style-type: none"> <li>1. Keep trying out different activities on hour of code – there are some really cool ones on there! <a href="https://hourofcode.com/uk/learn">https://hourofcode.com/uk/learn</a> I particularly enjoyed the Star Wars one!</li> <li>2. Continue working on your website!</li> <li>3. Use these websites to help you with HTML:  <a href="https://www.codecademy.com/">https://www.codecademy.com/</a>  <a href="http://www.goodellgroup.com/tutorial/chapter1.html">http://www.goodellgroup.com/tutorial/chapter1.html</a> (This one is quite wordy!)  <a href="https://www.ipl.org/div/kidsweb/">https://www.ipl.org/div/kidsweb/</a>  <a href="https://codepupil.com/">https://codepupil.com/</a> (This one is interactive!)</li> </ol>
Art	Roman artwork	<ol style="list-style-type: none"> <li>1. Have a go at creating a Roman mosaic. You can use squares of different coloured paper or colour a picture in using just squares of colour.</li> <li>2. Create your own Roman shield, either as a drawing, painting or a model. I can't wait to see them!</li> </ol>
