

Making the 999 Handbook

First of all print page 2 of this worksheet (the one with the boxes for you to write in). This should give you an A4 sheet with writing on one side, blank on the other.

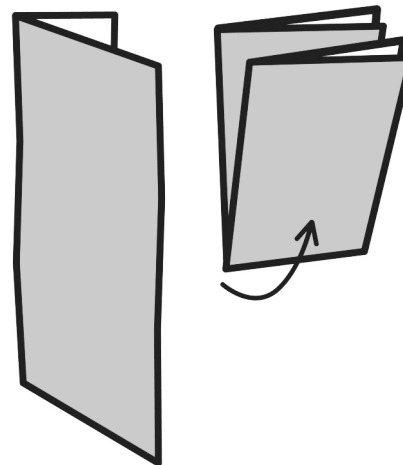

■ – Writing side
□ – Blank side

1.

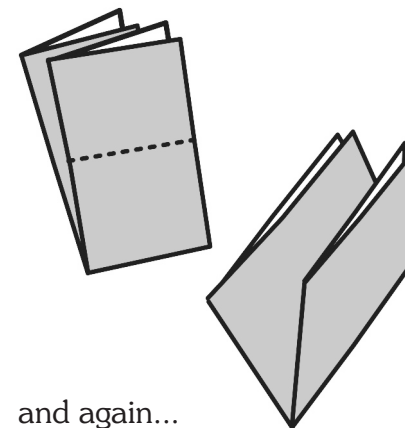

Fold the paper in half
– longways.

2.

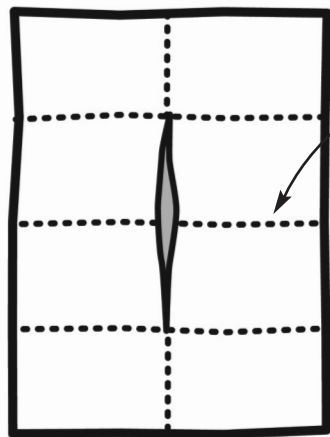

Then fold it in half again...

3.

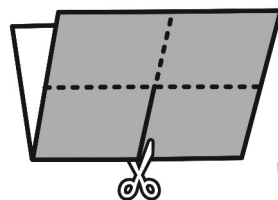

and again...

4.

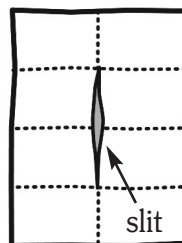

When you open your paper flat,
it should be divided into
8 rectangles.

5. a. Fold in half along this line

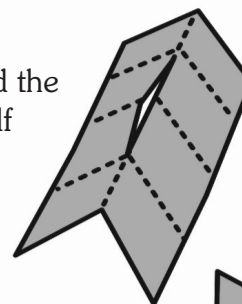

b. Then cut along
the thick black line
through both
thicknesses of paper.

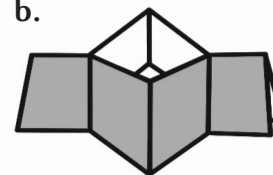

c. When you open the paper flat,
this is what you should have!

6.

a. Next, fold the
paper in half
longways.

b.

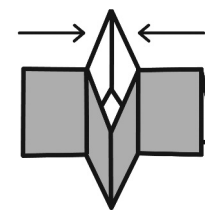

c.

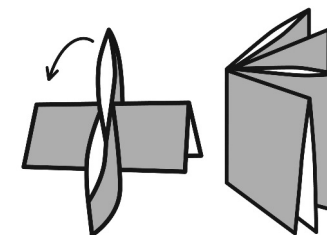

Pull out the two folds in
the middle. (See picture c.)

7.

Push the ends
towards the middle.

Fold the back page round
to form a booklet.

Use the lines to explain why and when you might need each item.

A First Aid Kit

A torch

where I can find...

I know...

8

(Draw a picture of yourself below.)

what to do in an emergency.

I know...

1

This is **FREE** from any phone including mobiles.

DO NOT call 911, this does not work in the UK!

- Police
- Ambulance
- Fire and Rescue
- Coastguard
- Mountain and Cave

that in an emergency I can call ___ or ___ for the emergency services, including:

I know...

2

Also know:
Who/where my doctor is.
Where the nearest accident and emergency hospital is:

☐
☐
☐
☐

My parents/carer's mobile.

My home phone number.

My address.

✓ if you know them.
Work with you parent/carer if you don't.

I know my key contact numbers.

3

I know when I need to dial 999.

Here are some examples.

(Use words and pictures to explain.)

4

I know the **3** things that I must do if there is a fire:

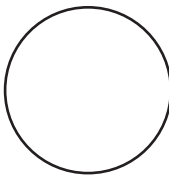

- 1.
- 2.
- 3.

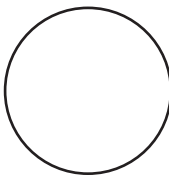

5

I know who I can contact if I need help and I know how to contact them.

(Draw faces in the circles.)
