Introduction to PE and Sports Premium

Most schools with primary-age pupils receive the [PE and sports premium](#) in the academic year 2016 to 2017. Schools receive PE and sport premium funding based on the number of pupils in Years One to Six. Schools with 17 or more eligible pupils receive £8,000 and an additional payment of £5 per pupil.

Western Road Community Primary School receive £9005 for this financial year (2016 – 2017) which is paid in two instalments - £5253 (already received) and £3752 (paid in May 2017).

One of the conditions of this funding is that schools post a report about how it is being used on their websites.

How can the Sports Premium be used?

The government's advice is that schools must spend the funding to improve the quality of the PE and sport activities they offer their pupils but are free to choose the best way of using the money.

PE and Sports Funding Spending at Western Road Community Primary School - 2016 - 2017

Area of Spending	Amount	Description of Intervention	Impact / Outcomes
1. Participate in a wide range of sporting activities within the local community.	£1755	We will buy into the services of Priory School's sports coordinator, Sara Riley, who organises local tournaments, matches, performances etc. We will arrange cover as necessary to ensure the PE specialist teachers are available to attend tournaments and encourage sporting behaviours. We will also make contact with fellow members of the Trust to consider additional provision for pupils (cover may be needed to facilitate meetings and supervision for activities/tournaments).	Children took part in a wide range of inter-school tournaments and matches including netball, football, table tennis and athletics. Participation in after school PE activities has risen. A sporting club is available each day after school and the registers for these clubs shows that attendance has increased from last year.
2. Support consistently high-quality PE teaching in line with the new National Curriculum.	£2800	We will purchase two afternoons per week of specialist PE instructor's time to work alongside members of staff to develop the skills-set of our teachers. This will build internal capacity and long-term sustainability in PE and sports lessons.	Teacher Voice and lesson observations show confidence levels of staff in delivering PE lessons have risen significantly since last year. 100% of all PE lessons observed have been judged as 'Good' or 'Outstanding' by members of the Senior Leadership Team and the PE coordinator.
3. Training for MDSAs and Sports Leaders so that sporting activities can be led at lunchtime.	£1950	Specialist PE provider will work with midday supervisors and Year Six Sports Leaders to deliver training in traditional playtime games so that supervisors and Sports Leaders can support games and activities at lunchtime.	Children take part in a range of activities at lunchtime, supervised and led by MDSAs and Year Six Sports Leaders. Pupil Voice shows that children enjoy taking part in these activities.
4. Continue to offer high-quality swimming teaching in line with the National Curriculum.	£2500	We will buy into swimming lessons at Wave Leisure in Lewes to enable all children in Key Stage Two to have swimming lessons taught by dedicated swimming teachers.	All children in Key Stage Two have access to swimming lessons at Wave Leisure for two terms per year. This is in excess of the national requirements and ensured that at the end of last year 97% of children leaving Year Six are able to swim at least 25m.
