

# Unit 5

## Multiplication and division 2

In this unit we will ...

- ⚡ Learn the 3, 4 and 8 times-tables
- ⚡ Find a simple remainder when a number is divided
- ⚡ Use a bar model to solve multiplication and division problems

We will use bar models to help solve multiplication and division problems.

We will need some maths words. How many of these have you used before?

equal multiply divide multiple  
times-tables sharing grouping  
array bar model repeated addition  
multiplication sentence multiplication fact  
division sentence division fact remainder

We need to use number lines too. These will help us understand multiplication and division.
