

Home learning tasks- guide for grown ups-7.5.20

Please DO NOT feel like you have to do all of these tasks every day. Some days you might do all of them and some days you may not do any. These are just some ideas to keep you going for when your child ready and happy to learn.

Please do post your child's work on Tapestry. We can comment on your child's work and give them feedback. It's a great way for us to interact with each other. If you have forgotten your password/ need help logging in, please contact us via email through Mrs Wooler at head@westernroad.e-sussex.sch.uk

Reading/Writing/ Phonics

This week our text is George and the Dragon written by Chris Wormell. On you tube there is a clip of someone reading the story. <https://www.youtube.com/watch?v=IA9nAvl8uuw>

Literacy- What would happen if a dragon came to visit you at your house? Would you scare him away? Would he be a friendly dragon? You could scribe your child's ideas for a story entitled 'When the dragon came to tea.' Remind them you need to add certain words and phrases to make it a better story. You need openers and time connectives- Once upon a time, Next, Finally, Happily ever after. You also need exciting adjectives to describe people and places- like terrifying, delicious or gruesome. Maybe your child could add pictures for the story to make a story map or you could make a video of you telling your story together.

Phonics-

<https://www.bbc.co.uk/bitesize/topics/zvq9bdm/articles/zj39382>

Watch this funny clip about the 'air' sound. Can you write a list of words that have the 'air' sound in? As an extra challenge, could you use two of the words you have to make a silly sentence like in the cartoon?

Continue to get your child to read with you as much as possible. You can create an account on the Oxford Owl website and access lots of free ebooks. We would have been reading book bands 1,2,3 mostly at school. <https://home.oxfordowl.co.uk/books/free-ebooks/>

Maths

<https://whiterosemaths.com/homelearning/early-years/>

Look at the link above and do 1 activity per day from summer term week 3. This week the activities are about 'The Hungry Caterpillar' by Eric Carle. If you do not own a copy of the story then you can show your child this version on You Tube.

Understanding the world/ Expressive Art and design/ Communication and Language

Make a paper chain dragon! If you don't have coloured paper you could use plain paper and colour it in...or you could cut card from your recycling into strips and paint/colour it.
