

Western Road School Development Plan Priorities

2015 – 2016

Leadership and Management

- Improve contribution of Subject and Middle Leaders to the monitoring, evaluation and improvement of teaching and learning
- To accelerate the progress of all vulnerable and disadvantaged groups, including those entitled to the Pupil Premium, ensuring attainment gaps between these groups and their peers are narrowing quickly, especially earlier in the school
- To use Performance Management effectively for all staff, including teaching assistants, to improve teaching and learning
- To ensure school website complies with all statutory requirements and provides our families with helpful information
- To continue to work closely with our partner schools in the Trust to deliver its objectives for the year

The Quality of Teaching and Learning

- To ensure all teaching is consistently Good or better
- To ensure teaching challenges and extends more able pupils
- For teachers to develop and use a range of scaffolding strategies to support those pupils identified with SEND, enabling them to make good progress from their starting points
- To embed assessment without levels

Personal Development, Behaviour and Welfare

- To improve attendance across whole school and especially amongst disadvantaged groups
- To ensure rigorous Safeguarding Measures in place, including staff training in Safeguarding, Prevent and E Safety
- To promote School Council and Pupil Voice
- To ensure good outcome for next Health and Safety audit in Term 3

Outcomes for Children

- For all children to make good progress towards end of year attainment targets, as indicated in School Development Plan
- For children identified with SEND to make good progress from their starting points and for attainment gaps between all vulnerable groups and their peers to narrow earlier in the school
