Introduction to PE and Sports Premium

Most schools with primary-age pupils receive the [PE and sports premium](#) in the academic year 2016 to 2017. Schools receive PE and sport premium funding based on the number of pupils in Years One to Six. Schools with 17 or more eligible pupils receive £8,000 and an additional payment of £5 per pupil.

Western Road Community Primary School receive £9005 for this financial year (2016 – 2017) which is paid in two instalments - £5253 (already received) and £3752 (paid in May 2017).

One of the conditions of this funding is that schools post a report about how it is being used on their websites.

How can the Sports Premium be used?

The government's advice is that schools must spend the funding to improve the quality of the PE and sport activities they offer their pupils but are free to choose the best way of using the money.
