

Reading Activities

Here are this week's Guided Reading tasks.

Monday - 'Week 4. Monday. Guided Reading Comprehension'

Please read the text carefully and find examples from it to answer your questions.

There are two sets of questions to choose from, the 'main' if you're confident, the 'unsure' if you're unsure.

'Week 4. Monday. Guided Reading Questions Main'

'Week 4. Monday. Guided Reading Questions Unsure'

Tuesday - Please read a chapter of your book and answer these questions:

What were the main events? Why were they important to the rest of the story? How was your main character feeling and why? What do you think will happen next? Was there any figurative language?

Look here if you're unsure what figurative language is:

Wednesday - "Week 4 - Guided Reading Dictionary Skills"

You will need a dictionary for this task. If you do not have one, visit:

Thursday - 'Week 4. Guided Reading SPAG Mats'

Please choose one of the three SPAG mats to complete - these are the same questions with varying difficulty. The third one is the most challenging.

Friday: 'Week 4. Guided Reading. Friday Spelling.'

Please complete the spelling sheet, then practise three more times if you found one difficult. Then, find two spellings from your work in the past week to practise however you like.
