7th March 2019

Dear Parents and Carers,

Welcome back for Term 4! I hope you all had a lovely half term break.

Our learning journey topic for Term 4 is '**India**'. We will be identifying and finding out all about Indian culture. We will then be making comparisons between India and Lewes. We will be designing our own rangoli, listening and creating our own music and using atlases to find India on the map!

In English we will be writing our own newspapers articles about a mysterious animal found at Western Road, writing a letter to a child from India to find out some answers to our questions and finishing off with writing our own stories. In maths we will be learning about measurement, height and length. We will also focus on place value and counting in multiples of twos, five and ten.

We will be learning about animals in Science, finding out about the different types of animals and classifying Indian animals into these groups. We will also be finding out about animals' body parts and what different animals eat.

PE will be on _____ **Please ensure your child has their full, named PE kits in school on those relevant days and remind your children to take their kits home when suitable for washing.**

Please can I again encourage you to listen to your child read every day. All children now have a reading record. Every day, when your child reads, please can you make a comment in the reading record so that we can see that reading is happening at home. We will continue to award merits every time your child has read 5 times!

If you have any queries, please do not hesitate to speak to me.

Yours sincerely,

Miss Blackwell
Year One Class Teacher
