

Home learning tasks- guide for grown ups- 27.4.20

Please DO NOT feel like you have to do all of these tasks every day. Some days you might do all of them and some days you may not do any. These are just some ideas to keep you going for when your child ready and happy to learn.

Please do post your child's work on Tapestry. We can comment on your child's work and give them feedback. It's a great way for us to interact with each other. If you have forgotten your password/ need help logging in, please contact us via email through Mrs Wooler at head@westernroad.e-sussex.sch.uk

Reading/Writing/ Phonics

Read 'Zog' ever day by Julia Donaldson each day to your child. The animated version can be found on BBC iPlayer at the moment if you don't have a copy.

<https://www.bbc.co.uk/iplayer/episode/b0bwdw8y/zog> As the days go on, see if they can join in with parts of the story that they remember, or put on voices for the different characters.

On Monday's literacy sheet can you think of words to describe Zog. Imagine your friend has never read the story what words would you use to describe him. These words can be what he looks like but also to include his personality.

Phonics-See Monday phonics. You are revising the digraph 'nk'.

Continue to get your child to read with you as much as possible. You can create an account on the Oxford Owl website and access lots of free ebooks. We would have been reading book bands 1,2,3 mostly at school. <https://home.oxfordowl.co.uk/books/free-ebooks/>

<https://whiterosemaths.com/homelearning/early-years/>

Look at the link above and do 1 activity per day from summer term week 1. Have some Night Pirate adventures! If you don't have a copy of the book, you can watch this version on You Tube- <https://www.youtube.com/watch?v=mdWxBn-xvrQ>

The aim is to use these fun activities to promote conversations about maths so the children can apply their knowledge to solve the problems you are discussing.

Understanding the world/ Expressive Art and design/ Communication and Language

Can you make your own dragon out of junk? I have put some pictures of dragons made from junk modelling. You can use any items at home to create your dragon. We look forward to seeing them.
