Five Minute Phonics

Our sounds for this week are: **s**, **a**, **t** and **p**. All Jolly Phonics letters and actions are in the 'key words and sounds' book.

Do remember to not add an 'uh' onto the end of the sounds, e.g.

'ssssss' and not 'suh' and a short 't' and not 'tuh'. Examples of these sounds can be found on the internet by searching for the

Articulation of Phonemes video or the *Mr Thorne Network*.

With the cut up letters work together to blend the sounds to make the words sat, sap, pat and tap. Our high frequency words for this week are: **a**, **at** and **as** (these are frequently occurring words that the children will learn to recognise on sight.)

Practising with your child for **just five minutes a day** will make a huge impact on their learning! Let me know how you get on and please ask anytime if you want any further information.

Thank you for your support and enjoy!

Ms. Delaney and Mrs Reed
