Friday, 26<sup>th</sup> April 2019

Dear Parents and Carers,

Welcome back! I hope you had a great Easter break. Can you believe we are two thirds of the way through Year 3? Still so much fun packed learning to come!

Our next learning journey in Year Three is 'Coasts and Rivers' focusing on local history and conservation and consolidating our knowledge on erosion. In English, we will be writing recounts, attempting various different versions and styles. We will continue to develop our knowledge and understanding of grammar, punctuation and spelling (GPS) and reading using inference and deduction. In Maths, we will focus upon fractions and move on to using decimal numbers to show tenths. In Science, we will be learning about the main parts of plants and their functions.

We have PE on a Monday and Tuesday; Tuesdays we will be outside, where possible, learning athletics, exploring outdoor games and preparing for our first outing to District Sports. Mondays we will be swimming at Lewes Leisure Centre. Please ensure your child has their full, named PE kits in school on those days (including trainers or plimsolls) and remind your children to take their kits home when suitable for washing. If your child has pierced ears, please can they either not wear their earrings to school on Mondays and Tuesdays, or be able to take them out, as we are unable to allow the children to wear any jewellery for PE. Newly pierced ears can be taped at home on these days as long as you let me know. Please also make sure long hair is tied back. If your child is unable to do PE for any reason, please inform me in writing or tell me personally.

Homework will be set on Fridays to be returned the following Wednesday. It will usually be an online mymaths task, spellings to learn, and a small written homework. Homework will be stuck in the green Homework books to complete unless otherwise stated.

If you have any queries, please do not hesitate to see me.

Yours sincerely,

Miss Naomi Hoare  
Year Three Class Teacher
