

GEOGRAPHY

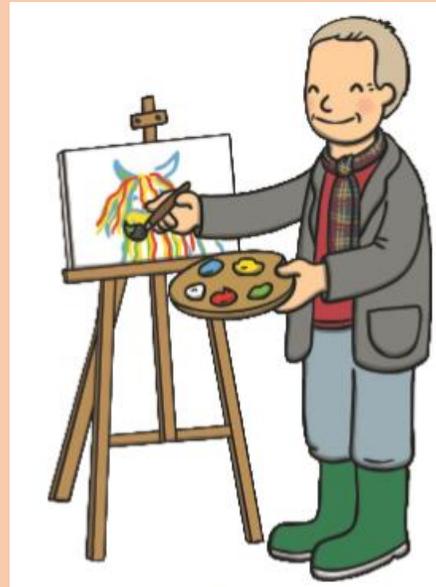

WALT – identify what people do as jobs and the transport people get on
a daily basis

LEWES

Lewes has a population of roughly 17,297. That means roughly 17,297 people live there!

There are many different jobs people do in Lewes. Can you guess from the pictures what some of these jobs might be?

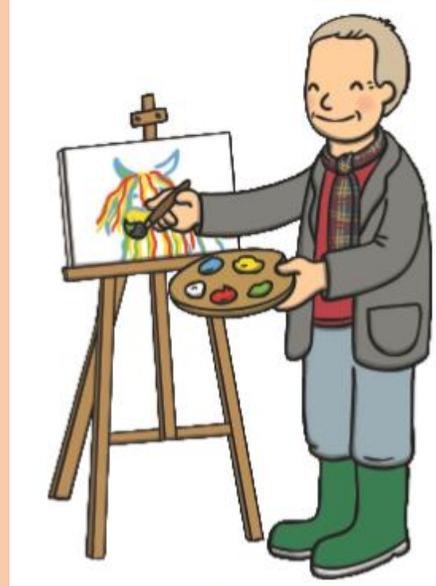

LEWES

LEWES

Dentist

Artist

Doctor

Police

Teacher

LEWES

As you know from the last Geography lesson there are many places in Lewes! Such as shops, libraries, police station, schools, restaurants and the train station. These places all need people to work in them to make them run!

Can you make a list of all the different jobs people do in each of the places on the next slide? E.g

Waiter/Waitress
Chef
Manager
Cleaner

LEWES

Western Road Community
Primary School

Lewes Depot

Lewes Victoria Hospital

Don't forget the people that come in to school to help us (nurses, delivery drivers bringing our supplies, mowing and lawn maintenance)

LEWES

THINK ABOUT/DISCUSS

What transport do you think people use for their jobs?

How do people in Lewes get to their jobs in Lewes?

How do people who live in Lewes get to their jobs in different towns/cities?

Does everybody use a form of transport?

ACTIVITY

What job would you like to do when you are older?

1. Draw a picture.

2. Answer the questions

You might want to look up some other jobs that we haven't mentioned!

electrician

hairdresser

dentist

bus driver

paramedic

plumber

office worker

refuse collector

pilot

builder

car mechanic

teacher

gardener

nurse

shop assistant

doctor

train driver

police officer

welder
