

Eid Moon and Star Mobile

You will need:

Moon and Star Template

PVA glue

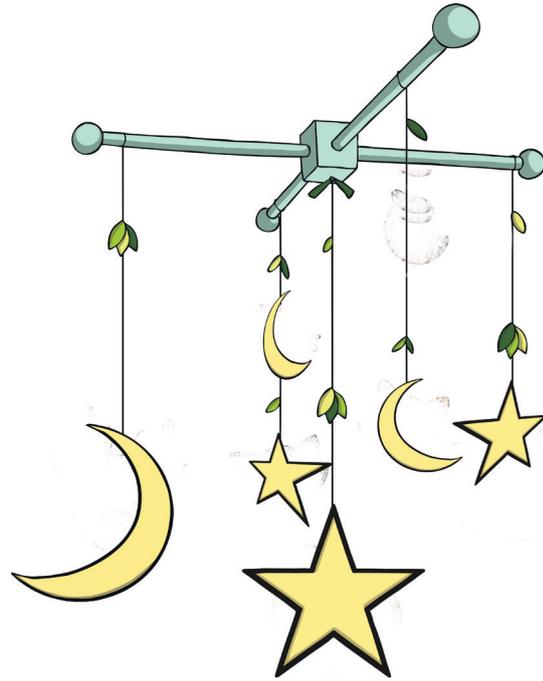

Gold glitter

String or ribbon

Lolly stick

Scissors

Tape

Instructions

1. Carefully cut out the moon and star shapes.
2. Spread glue onto the shapes and cover in gold glitter.
3. Sprinkle gold glitter all over the shapes.
4. Tape the shapes onto a piece of string, putting the tape on the reverse side.
5. Repeat with another piece of string.
6. Tie the ends of the pieces of string to opposite ends of a lolly stick.
7. Finally, tie a longer piece of string to the lolly stick to hang the mobile up.
