Amaze

Amaze SENDIASS is the Special Educational Needs and Disability (SEND) Information, Advice and Support Service for East Sussex and Brighton & Hove. Amaze SENDIASS is funded by East Sussex County Council and Brighton & Hove City Council to offer impartial and confidential information, advice and support on anything to do with SEND including education, health and social care. The service is for children and young people with SEND up to 25 who live or go to school in East Sussex and Brighton & Hove, and their parents and carers.

Amaze SENDIASS provides information, advice and support in the following ways:

- A website and resources so you can find things out for yourself
- A telephone and email advice line for more tailored information
- Online workshops for more in depth understanding of key topics like support in school and Education Health and Care Plans. Free, online, regular. See the [Events page](#) for the next dates and how to book
- Follow-up advice calls for more complex issues
- Young people (13-25) can ask for one to one advice from the Young People's Worker
- The ND Family Support Service takes referrals from families or professionals using the [ND Family Support - Amaze Sussex](#) link for the referral form and more information

The advice line is open Monday to Friday, 9am to 5pm.

Email sendiass@amazesussex.org.uk or leave a voicemail on 01273 772289. Parents can also ask for help by completing a [registration form](#) on the website.

Holding Space

Holding Space offers parent peer support to families whose children are struggling with their mental health. They offer a safe, confidential, non-judgemental space for parents to come together where parents can connect, chat and be supported.

They run informal coffee mornings and evenings which are facilitated by parents with lived experience. They have information on local and statutory organisations that can offer support and advice and can signpost to these. They run workshops on mental health and well-being so that they can empower parents to manage their own mental health and those around them.
